## **A Week Of Weather Learning**

Help your child record changes in the weather over a week. Observing weather is an easy way for children to learn about the patterns of nature. Encourage your child to look for repeating cycles and think about how the earth's atmosphere and climate interact. Ask your child to use the symbols and words on page 1 to record the weather on page 2 (or in a blank journal).

In England, tomorrow morning will see a dry, bright start in most places, with high temperatures throughout the week. We might see one or two thunderstorms appearing as the week goes on, with temperatures everywhere at 29 to 30 degrees. By the weekend, unfortunately, the dry weather will make way for mostly cloudy skies and rain.
