Stolen Women Of The Otherworld

"Stolen" is a sequel to "Bitten" and book #2 in Armstrong's "Women of the Otherworld" series. As Armstrong herself have said, "Bitten" was meant to be a stand alone book while "Stolen" was written as a part of the series; the difference between two books is apparent. Like "Bitten," "Stolen" is written from Elena's POV.

Stolen (Women of the Otherworld, #2) by Kelley Armstrong

Stolen manages to be both an intense read, and a slowly-unfolding one. For a lot of the book Elena is confined to a prison cell, so not a lot of scope for high-octane action. What I really loved about this was that Elena saved herself and the other supernaturals in the face of a much more powerful and sadistic enemy.

Otherworld Series by Kelley Armstrong - Goodreads

It is after all called women of the underworld and I really like the theme. It's just a personal wish from me that there would be more romance too. I usually am not big on series with different main character for almost every book, but Stolen actually got me really interested to read the next book about Paige.
